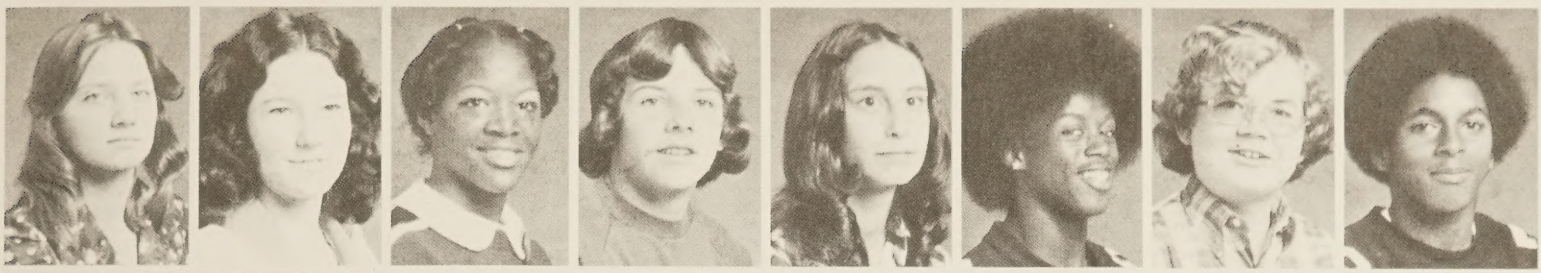
TO DEDICATE OUR FUTURE TO YOUR DEMAND.
TO REPRESENT JUSTICE, HONOR AND TRUTH.
WE STAND A PART OF MANOR HIGH SCHOOL.

MANOR

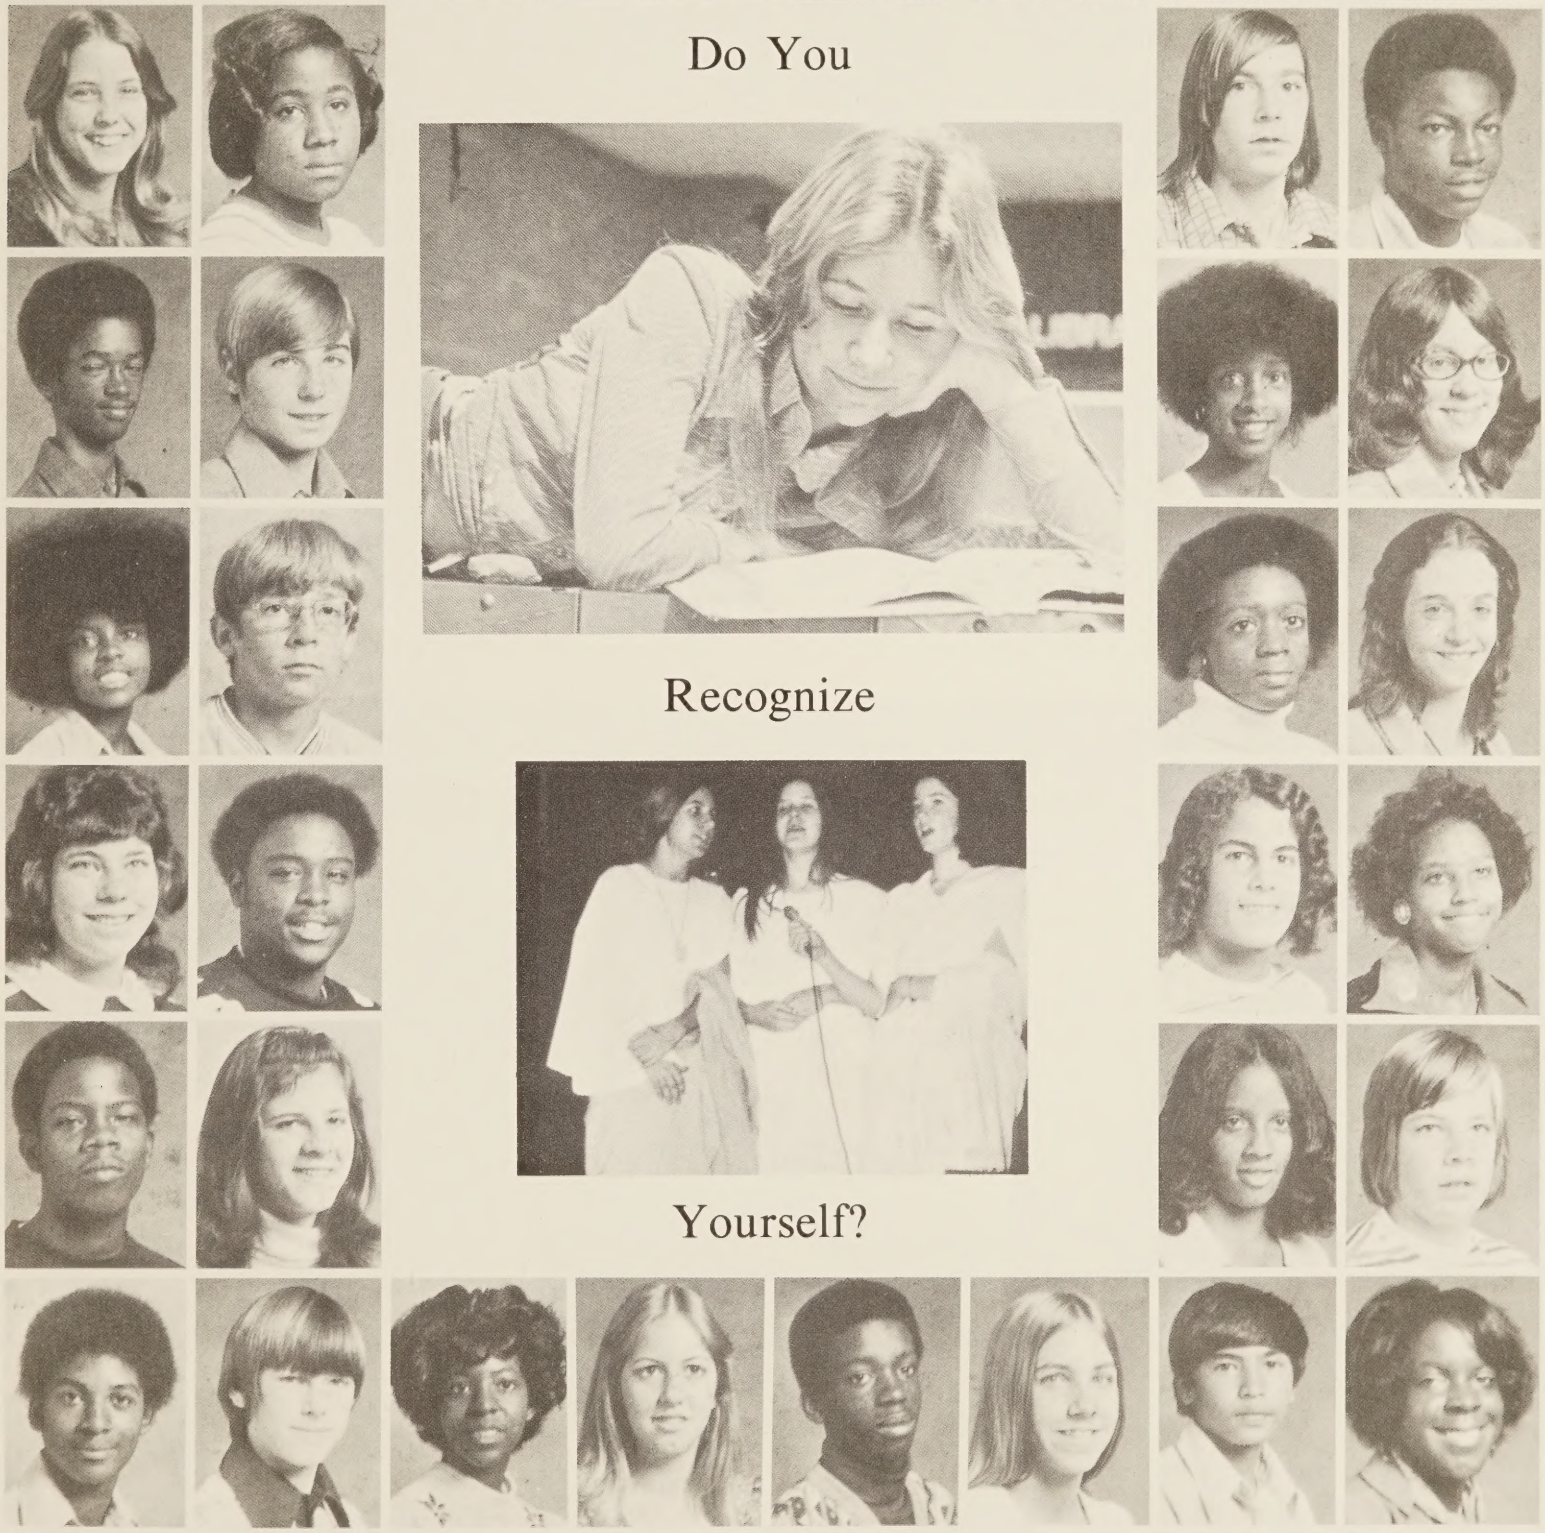
The Way We Were . . .



Do You

Recognize

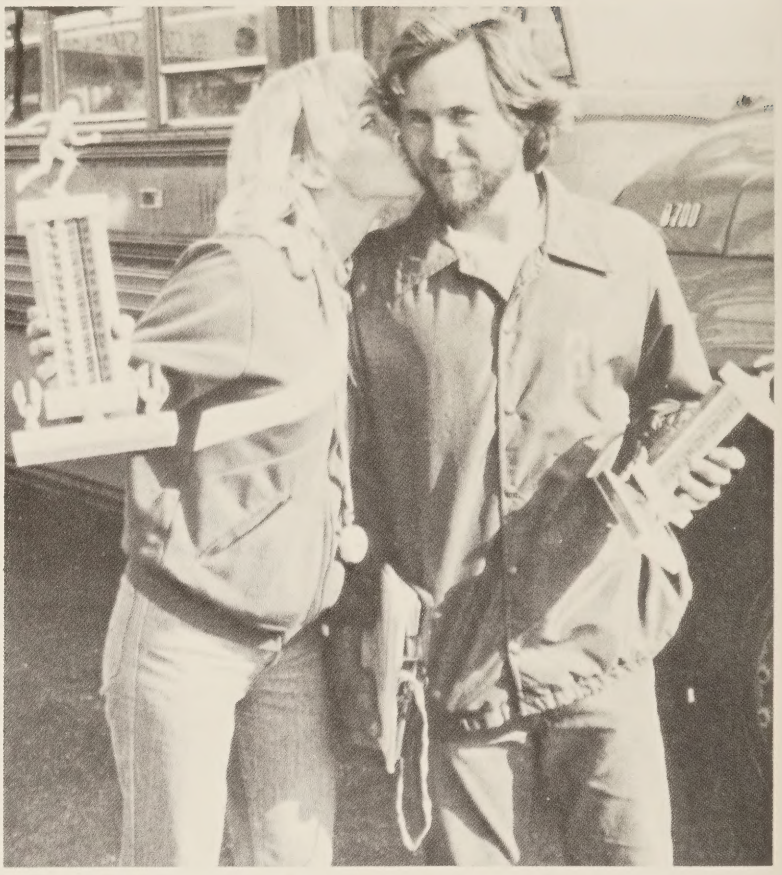
Yourself?



Do You Remember . . .

the school spirit created at our rowdie pep rallies?

when Vicki Langston got stuck in a compromising position?



the secret affair of Mrs. McMichael and Coach Ziegenfuss?

Mr. Potter displaying his intestinal fortitude by eating a Manor lunch?

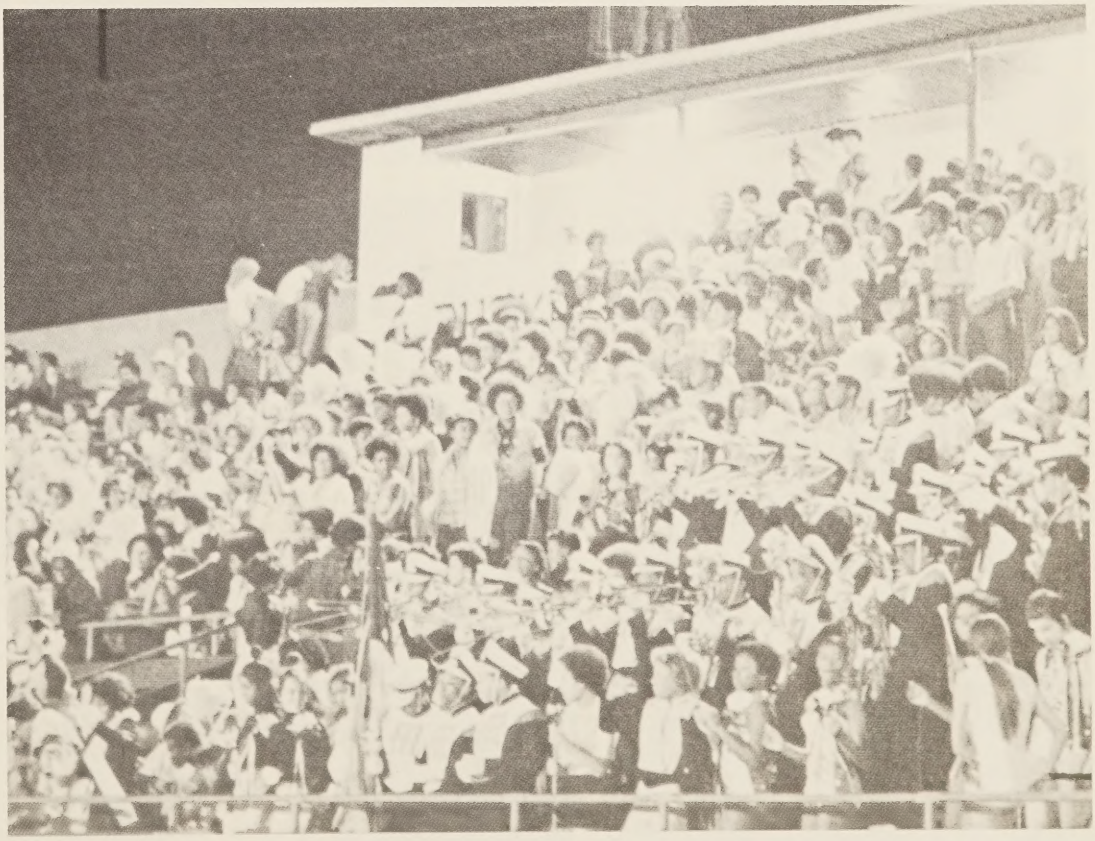
Cinky almost getting a "split" personality?

when "BIG FOOT" loomed over our halls?

the Bicentennial?

when the Art Department broke wild on our walls?

"Spacey Tracy" as Miss Muchoney?



the super Friday nights spent cheering our Mighty Manor Mustangs?

BIG DREW

Dedication

In deciding for the first time in Manor High School's history to dedicate the Yearbook to a person worthy of recognition for their contributions to the student body, certain guidelines and criteria had to be established. First of all, the person selected must be either a member of the faculty or staff. Secondly, he or she must be an individual exhibiting certain exemplary characteristics which include: devotion to service, pride in Manor High School, responsiveness to others, dedication to position, and the ability to cope with the myriad of problems involved in a school like Manor.

This year's selection was no contest. One person, first and foremost, was unanimously chosen for her devotion to Manor in all aspects of her six years of service. Although faced with personal hardship she never failed to give one hundred percent plus effort to her job. She was always willing to help others, doing things not required in her job. She was also cheerful, empathetic, and above all, she protected the Mustangs from falling apart financially.

Therefore, We, the Staff of the 1978 Mustang, do hereby dedicate this, the Sixth Edition, to Mrs. Verna Mae Hughes, our school Treasurer. We wish you the best in whatever the future may bring.

Manor High School's Homecoming Celebration took place at Churchland Stadium on September 23, 1977. The S.C.A., sponsors of this year's festivities; led an eighteen float procession with a banner proclaiming the theme "Nostalgia: "Those Were The Days". In float judging, the Art club took first place easily with their psychedelically decorated "Magic Funk Wagon", followed by the Seniors Class and the Industrial Art Club who won second and third places respectively. Suspenseful anticipation filled the air as the moment of the crowning of Homecoming King and Queen was drawing near. Each of the class attendants was introduced and greeted with a fanfare from the band. As the contestants, dressed in their most formal attire, came on the field, each was presented to the capacity crowd. Tension mounted as a drum roll accompanied the announcement of William Brown and Daphne Stills as the 1977 Homecoming King and Queen. Mr. Niemeyer presented the Queen with a beautiful bouquet of roses amid thunderous applause from the crowd. The football teams returned to the field at the halftime festivities. Although Manor's team was an underdog, they showed tremendous effort and determination. The Mustangs were outpointed by the Indian River Braves only in the last quarter of the game.

Tropical Paradise

Manor's Prom was held on Saturday, May 20, 1978 on the Commons. The theme of the Prom was "Tropical Paradise", with decorations including palm trees, Tiki heads, and hula girls. The band, Harvest, got the dance off to a great start with their terrific disco beat. McIntosh was on hand to provide professional pictures of all the couples. The occasion was also made special be the catered refreshments. It was evident that the Juniors had really put forth much effort to make this a truly memorable event.

Most couples headed for the beach for a great meal and more dancing at the Ramada Inn Shipmates after the Prom. The consensus was that this had been the best Prom ever!

The 1978 Latin Olympics

In Memory Of

Steven Douglas Riddleberger
July 23, 1961 - May 6, 1978

Steve Riddleberger lived at 1005 Jewell Avenue in the Hodges Manor section of Portsmouth. In his two years at Manor High School, he became the friend of many of his fellow Mustangs.

During his Sophomore year, Steve played on the Junior Varsity baseball team. As a lefthander, he played the positions of pitcher and left field.

All of Steve's interests were not in Manor alone. He was a faithful Christian and attended Bethany Baptist Church. In spite of his athletic ability, during his Junior year, Steve decided to devote all his free time to motorcycles. He dearly loved motorcycles and won numerous trophies in competitions locally at Chesapeake's Dirt Park and at Oceana.

Even though Steve has departed, his memory lives on in our thoughts and hearts. He will be greatly missed by his friends and fellow students. We, of Manor High School, love you, Steve.

CLASSES

The Class That's Great, Is 78!!

The Senior Class of 1978 has been the most active class ever to attend Manor High School. This class has also been the most spirited, the most intelligent, and the most unified.

The Class of '78 was a proud class for many reasons. One of these was the fact that they produced more Honor Graduates than any previous class. Of the 346 graduating Seniors, 56 succeeded in becoming Honor Graduates. Another reason for the "Pride of '78" was the fact that they earned the reputation of being charitable and generous. They exceeded all of the other classes in contributing to such worthy causes as the United Way, Canned Food Drive, Operation Santa Claus, and the Red Cross Blood Drive. Homecoming further instilled pride in the Seniors. they received second place for their float. The Speakeasy.

One of the highlights of the year for many Seniors was the Senior Class Trip to Orlando, Florida. The trip was made possible through several fund raising activities which included: a dance, donut sales, the Talent Show and the Miss Manor Pageant. The Seniors, along with their chaperones, boarded the bus in order to depart at 8:00 p.m. on March 23, 1978. Riding all night long, they arrived at their motel at noon the next day. Everyone immediately changed into bathing suits for a pool party and a trip to Wet and Wild. That evening was spent at Mystery Fun House. The following day was spent entirely at Disney World, riding rides, taking pictures and buying souvenires. Sunday was spent sight-seeing and visiting Sea World. Monday, after a brief stop-over at Lake Buena Vista, the Seniors began their return trip to Manor by way of South of the Border. It was a very enjoyable trip, leaving the Seniors many great memories to look back on.

The Prom, sponsored by the Juniors on May , with its Tropical Paradise theme was really beautiful. Everyone admired the decorations and enjoyed dancing to the music of the band, Harvest.

May 22-26 was designated as Senior Week. The Seniors dressed up for Kiddie Day, 50's Day, Dress-Up Day and Jean and Shades Day. The week was climaxed by Senior Teacher Day. The Senior Reception was held on May 30th. The Seniors felt truly honored when they saw the georgeous floral arrangements and the catered refreshments. June 2nd was the Senior Assembly. This day was also known as the unofficial Senior Skip Day. On this day a record 401 persons were absent and there were 277 early releases.

Baccalaureate was held at 3 pm on June 4th in the Field House. Susan Hinton, the Salutatorian, presided with the Rev. Charles H. Bowens as the guest speaker. The big day for all Seniors—Graduation Day—took place on June 8th at 8 pm. Margaret Anne Spence presided with David Harrington, Ann Elizabeth Hester, and Pamela Gail Brown speaking. The Seniors proudly marched into the Field House to "Pomp and Circumstance" as their beaming relatives and friends looked on. Many tears were shed as the Seniors sang the Class Song written by Margaret Anne Spence. Commencement happily marked the end of a 12 year struggle for education.

Senior Class Officers: Vicki Wilburn, Assistant Secretary; Michael Johnson, Vice-President; Mr. Leroy Williams; Carolyn Scully, President; Crystal Dawson, Secretary; Kathleen Bell, Publicity Chairperson; Ricky Peacock, Treasurer.

AT LAST

A Sonnet For The

Class of 78

by

Daphne Harris

As a person's last year in school begins to terminate;
He often thinks of his younger days of learning,
Of the times that were spent together with his classmates,
Of various types of achievements, all of his attaining.
We think of the way we were long ago
And how far we have grown in body and mind.
For some, it was a struggle to stay on the go,
For others, it wasn't a hard strive to remain in line.
Through the years, many of us were neglected
And sometimes the things that were done were commendable
But through it all we made it, upon everything erected.
Now it's time to proceed, in which all of us are capable,
And put all those things into use that were advisable.
"For with God all things are possible!"

Scattered dreams and memories
are drifting through my mind
Of Manor High, of Manor High

Years will come, and years will go
We'll leave our lives behind
At Manor High, at Manor High

Though our paths may lead miles away
Though time will pass and years seem like days
Still we'll know, we had our beginning at Manor High

Though it's time to say goodbye
We'll never lose our love
For Manor High, for Manor High

Soon these days will be the past
And we'll be looking back
At Manor High, at Manor High

Though our paths may lead miles away
Though time will pass and years seem like days
Still, we'll know, we had our beginning
At Manor High, at Manor High

The 1977-78 Basketball season wasn't one of Manor's most memorable. Coach Black is very hopeful for next season because he'll have a lot more experienced players coming up. Coach Cliff Black stated, Manor did play strong close games but loosing players early in the season weakened the team. Coach Black is more hopeful for next year because of the experienced Jr. varsity coming up to lead Manor on to a better season for 1978-79. Good Luck Mustangs!

No. 1 one more time. The girls track team has another record season remaining undefeated. The boys also had a good season ending with an 3-3 record. Manor's teams made an outstanding showing. In addition to dual meets. The track team competed in many invitational meets like the Colonial Relays, the Norfolk State Relays and others. Again for the 2nd year in a row Manor's Team captured the Southeastern District championship. The track teams also made a fine showing at Regionals placing 5th which entitled them to go to state. Both boys and girls on the team made a great showing at state. Individuals such as Anthony Whitaker who placed 2nd in the 100, and Jackie Saunders who placed 2nd in the 100. Sadell Baker placed 5th in the 440. Several records were broken this season by the Mustangs. Anthony Whitaker broke his record in the 100 running a 9.5 and Jackie Saunders broke her record in the 100 with a 10.9. Sadell Baker broke her record in the 440 with a 57.8, and in the long jump with 17'1/2". Alisa Davis broke the shot record with 33'11". Angela Hilliard broke her record in the 220 with 25.52. Manor's catcher's are always prepared.

Manor's baseball team had a pretty strong season finishing 10-5 and 7-3. Coach Morrison credited team work as the key to their success. Each player stands out on the team. This could account for the fact that the team placed 2nd in the district. Some of Manor's most outstanding players who will be back next season are Robert Bailey, Todd Boyd and Jimmie Stuck. Each of these players made all-District. Stuck was also named Portsmouth's M.V.P. and the team's M.V.P. Seniors like Mike Conrad, Steven Cross, Walter Fisher, Steven Hardt, Ronald Scott, and Jerry Zakowski will be greatly missed by the team. All in all Mustangs We're proud of you.

CLOSING

A New Yearbook Staff

No one realizes the amount of time and effort that goes into the making of a Yearbook. The work was made much more difficult this year due to the fact that the entire Staff was inexperienced.

Susan Hinton was elected Editor-in-Chief of the 1978 Mustang. This office entailed such things as doing layouts, typing copy sheets, proofreading pages that the other members of the staff had done. She also spent many after-school hours working on such sections as the Opening, Seniors, School Life, and the Closing.

This year's Junior Editor was Steve Eure. He devoted much time to single-handedly doing the Sophomore section. He was invaluable as a photographer and film developer.

Dianne Bell worked along with Susan Hinton in completing the Opening, Seniors, and the Closing. She spent many hours after school, on weekends, and during the summer to ensure that this book was well assembled.

A person that was indespensible in many ways was Jean Williamson. She worked diligently on many sections, including Freshman, Faculty, Organizations, School Life, and Division Pages. Without her efforts, this Yearbook would have been impossible.

Working closely with Jean was Rhonda Fly. She worked long hard hours after school and on Saturdays to help the 1978 Mustang be a success.

Cindy Evans displayed her devotion through her efforts on the Sports and Ad sections of the book.

In Charge of the Ad section was Cindy Coltrain. This job took great amounts of time and hard work. She was also in charge of the Homecoming Court and Prom Section.

Anita Jackson worked with Cindy Evans on the Sports section.

Valerie Harwood and Bambi Hughes worked at completing the Junior section.

The real guiding force behind the Mustang were the sponsors, Mr. Smithwick and Mrs. Watts. Nobody liked sacrificing their Saturdays to work on the Yearbook, but Mrs. Watts made this a little more bearable with her smile, yearbook expertise, and DONUTS! Mr. Smithwick devoted countless hours working along side the Staff in seeing the book to its completion. He earned the respect and gratitude of the Staff through his willingness to serve.

Therefore, We, the members of the Staff of the 1978 Mustang, have completed this edition for you, the students of Manor High School, with love and pride.

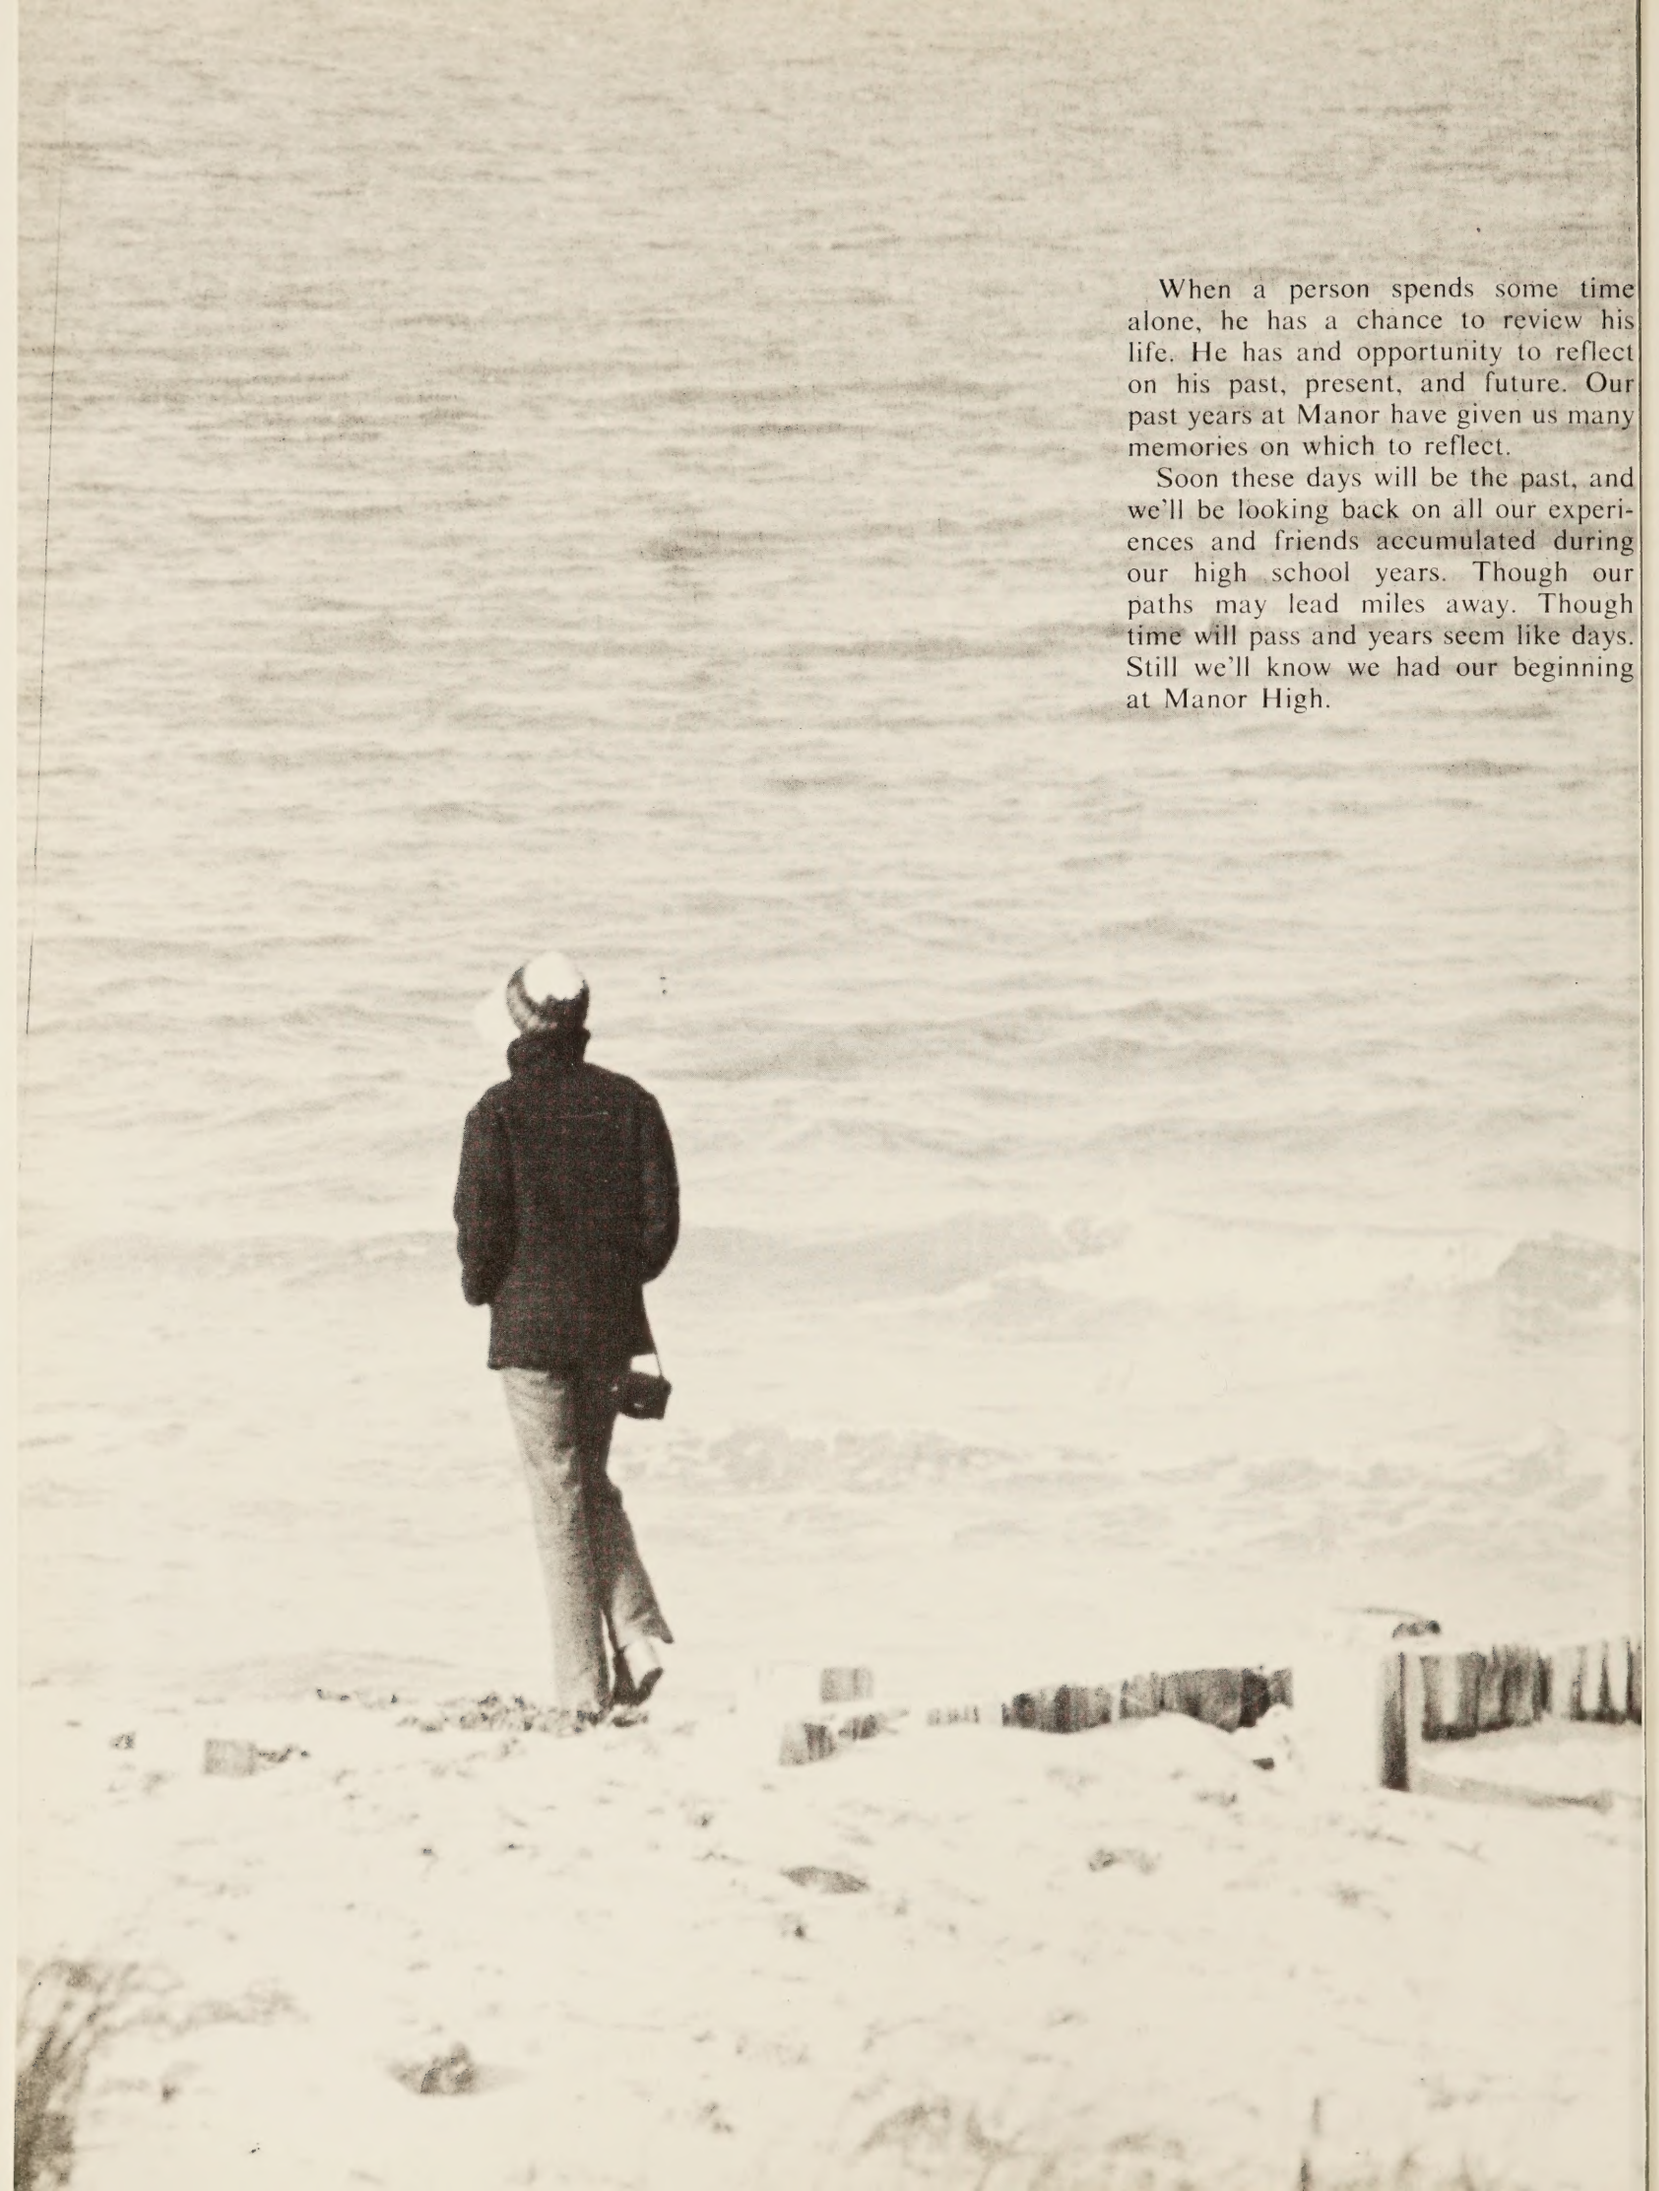
GONE!

When a person spends some time alone, he has a chance to review his life. He has and opportunity to reflect on his past, present, and future. Our past years at Manor have given us many memories on which to reflect.


Soon these days will be the past, and we'll be looking back on all our experiences and friends accumulated during our high school years. Though our paths may lead miles away. Though time will pass and years seem like days. Still we'll know we had our beginning at Manor High.
